WORK EXPERIENCE

VISUAL DESIGNER // IBM

Aug 2020 – Present

Produce live events hosted by IBM executives for global audiences averaging 3,000 people, opening a line of communication for the CIO.

Lead visual design effort on an internal pricing and costing tool, incorporating UX designs, stakeholder interests, and IBM's Carbon Design System.

Create 2D and 3D animated videos, which includes conceptualizing vision, facilitating stakeholder ideation, performing content design, storyboarding, and illustrating assets.

Conduct user research, IBM Enterprise Design Thinking activities, and user testing throughout the design process to pinpoint user needs and ensure user-centered design.

Mentor junior designers in visual/multimedia design & navigating the design landscape.

CIO DESIGN INTERN // IBM

May 2019 – Aug 2020

Developed research-based content, UX, and visual design for a resource to help designers work effectively in Agile and a website to guide interns through onboarding.

Created graphics and videos for display on IBM social channels and in office spaces.

DESIGN INTERN // Greenhouse Studios

Nov 2017 – Jan 2020

Designed/developed solutions for VR work, immersive web narratives, and a Vue.js app.

SENIOR EMAIL MARKETING INTERN // UConn Foundation Aug 2019 – Apr 2020

Formulated digital engagement strategies encompassing timelines and content for multichannel engagement (email, social, web) to promote sporting/recreational events.

Executed email campaigns by designing emails, A/B testing variable content to maximize performance, and synthesizing email reports into user-friendly recommendations.

DIGITAL GRAPHIC ARTIST/DEVELOPER // UConn Comms. Dec 2018 – Feb 2019

Implemented original graphics, illustrations, and JavaScript code to improve the UI/UX of an educational video game.

FREELANCE DESIGNER

Aug 2018 – Jan 2019

MARKETING INTERN // HPOne

May 2018 – Aug 2018

Designed and coded animated HTML5 banner ads featured in Google AdWords slots.

Created Medicare-focused infographics with original content, graphics, and illustrations for content marketing material.

Organized, advertised, and executed events to promote engagement and recruitment.

INVOLVEMENT & LEADERSHIP

DESIGNOPS SUMMIT COHORT FACILITATOR // Rosenfeld Media

Sep 2022

Deepened DesignOps Summit participants' understanding of conference material by organizing activities and facilitating discussions.

PANEL SPEAKER // Design at IBM

Jul 2022

Shared experience and advice on the design landscape inside and outside IBM.

PODCAST PANELIST // Digital Media CT

Jun 2020

Discussed careers in design and Design Thinking on "Beyond the Tech/IBM" episode.

DESIGN THINKING WORKSHOP FACILITATOR // Girls Who Code

Aug 2019

Facilitated Design Thinking activities promoting rapid ideation and Agile methodologies.
